

LSVT BIG® & LSVT LOUD®

Parkinson's Disease & Neurological Conditions

Do you know someone with a neurological condition that could benefit from LSVT Big® or Loud®? **Refer them to Dove Healthcare.**

Our Certified Therapists:

- Work 1:1 with patients for all sessions (in-patient or out-patient therapy)
- Communicate progress to physician
- Provide home assessment and caregiver education
- Adapt goals to fit patient's needs

LSVT BIG® Patient Goals:

- Faster walking with bigger steps
- Better balance, decreased fall risk
- Improved energy throughout the day

LSVT LOUD® Patient Goals:

- Improved voice function
- Maximized speech intelligibility
- Increased healthy vocal loudness
