Progressive Care with Proven Outcomes

Patients and their families appreciate knowing:

- We provide expert care for chronic or weaning ventilator patients.
- We manage each patient's medical condition, including IVs, tube feedings, complex wound care, TPN, and CoughAssist.
- Patients are supported by innovative technology (speaking valves, advanced nurse call system, continuous pulse oximeter, computer-based communication boards, internet access, etc.).
- We encourage mobility and participation in activities, church services, and outings via highly adapted electric wheelchairs with portable ventilators.

Schedule a Tour

See for yourself why we are the right choice for short-term and long-term ventilator care.

We are conveniently located in the heart of the Chippewa Falls medical community, so emergency care and specialty services are close by. There is an accessible indoor passage from our campus to HSHS St. Joseph's Hospital and Marshfield Clinic. In addition, other area medical clinics are located within our building.

We accept Medicare, WI & MN Medicaid / Medical Assistance, Veterans Administration, private pay, and contract with numerous insurance companies.
